

Dear Racefriends,

Hereby you will find our Trackday calander for 2014. Everybody can participate with his or her own car. If you do not have an appropriate (race)car, you can rent one. Contact us for possibilities and costs.

If you like you can get racing instructions for an additional fee as well. Note: reservations for instructions have to be made at least 14 days in advance.

**\* At the TT Circuit the level of noise is measured individually per car. The maximum level is 95 dB. When exceeding this level, you will be excluded from further participation, without refunding any money. For example lack of a silencer can cause to much noise. Also an open air intake can cause to much noise. Make sure your car doesn't exceed the maximum level!**
